

Make a College Plan in Five Simple Steps

bigfuture.org/make-a-plan

1 Visit bigfuture.org and choose "Make a Plan."

2 Answer a few simple questions about you.

Start by answering what grade you are in. Answer as few as one or as many as five questions to create your plan. The more you answer, the more customized your plan.

3 You've got a plan! Choose an activity to complete.

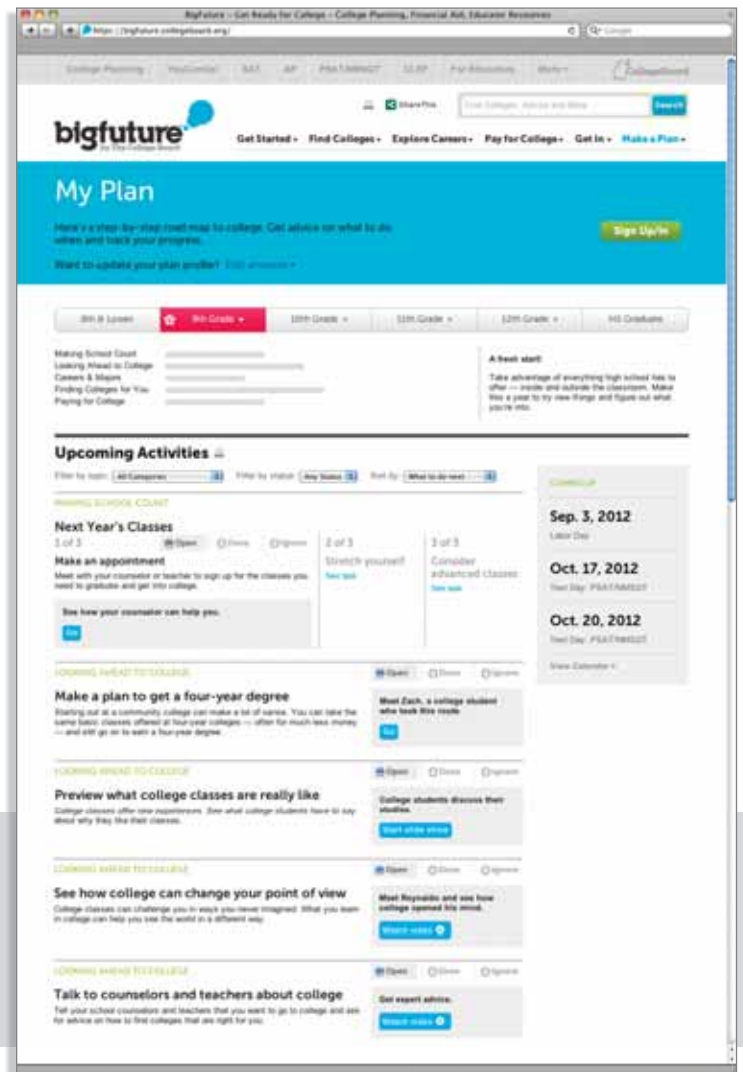

Your plan includes activities and steps to get ready for college—choose one to get started. Want to see more options? Page through your list of activities or sort them by topic. You'll find resources, advice, and student perspectives all along the way to guide you.

4 Track and share your progress.

Click "done" after completing an activity to update your plan and track your progress. Then share with your counselor and family. Want to peek at what's coming up next? Use the top menu to browse through other seasons or grade levels.

5 Save your plan.

Use your College Board login to save your plan and access it—and other saved information like your favorite colleges—at any time from the "My Organizer" taskbar at the bottom of every page.
