Request Teacher Recommendations

- ▶ It is good etiquette to personally ask the teacher for the recommendation prior to requesting through Naviance
- ▶ It is ALSO good etiquette to give your recommender **at least two weeks** to write the letter. Remember, this is NOT a required part of their job description and it is an extra task!
- ▶ With Naviance, if a school only requires ONE letter of recommendation, the first one submitted is the one that is sent to that university.
- ▶ If the recommendation is for a scholarship, provide the recommender with an envelope/stamp and address of where to send the letter.

SAT/ACT Test Scores

- ▶ Please note that the majority of colleges REQUIRE that the SAT/ACT scores be sent DIRECTLY from College Board (SAT) or ACT. They will not accept it from a high school transcript.
- ▶ You can do this either the day of the test (for free) or log on to your account and request to be sent (small fee required).
- ▶ This is the applicant's responsibility, the high school cannot do this!
- ▶ TEST OPTIONAL/TEST FLEXIBLE
