

## DAILY ANNOUNCEMENTS WEDNESDAY, OCTOBER 14, 2020

**COVID-19 Prevention Tip:** The [CDC](#) shares the following dos and don'ts when selecting a mask.

**Do choose masks that:**

- Have two or more layers of washable, breathable fabric
- Completely cover your nose and mouth
- Fit snugly against the sides of your face and don't have gaps

**Don't choose masks that:**

- Are made of fabric that makes it hard to breathe
- Have exhalation valves or vents, which allow virus particles to escape
- Are intended for healthcare workers, including N95 respirators or surgical masks

**Early Release Wednesdays Start Today:** Starting **today**, the high school will release students early on Wednesdays at 12:39 p.m. [Click here](#) to download a copy of the Early Release Wednesday Bell Schedule.

**AP Test Registration is Open:** AP exam registration is open. The first late fee kicks in on **October 15** (\$15/exam). This year, the unused/canceled exam fee is waived for students who may later decide not to test. All students who currently plan to take AP exams should register now because the \$45 per exam late order fee still applies this year for exams ordered after October 30.

It's far better for students to be registered on time and cancel later, rather than order after the deadline. Begin registration on the High School Web page. Questions should be directed to Mrs. Toth at [btoth@lcscmail.com](mailto:btoth@lcscmail.com).

**Chess Club Call-Out Meeting:** All students are welcome to attend the call-out meeting for Chess Club. It will take place on **Thursday, October 15**, after school in room C326 and finish up around 3 p.m.
