

2022-2023 Student Drop off Procedures

Traffic entering from US 41 will drop students off at door A and exit the building through the stoplight

Traffic entering the parking lot from the back gate will drop off at Door H until 7:00 am

Doors B and C must never be used as a drop off location. This creates a traffic jam for our parking lot.

After 7:00 am traffic can drop off at Door K in the yellow lot
