A BIG THANKS: This past Sunday's 2nd Annual Color Run hosted by the Lake Central Student Council was an enormous success! A great time was had by all and the group raised over five thousand dollars that will be donated to the Indiana Dunes National Lakeshore in celebration of Earth Day!

Many thanks to all of our sponsors, our timing company, and our DJ/Photo Booth company. Thanks also to our student helpers who were out there throwing the color all around, and of course, the race couldn't happen without the registered runners! Thank you all for making this event so successful in its second year!
